A Friend No Matter How Far Seperated Will Grow In Love And Sympathy And Nearness To Each Other

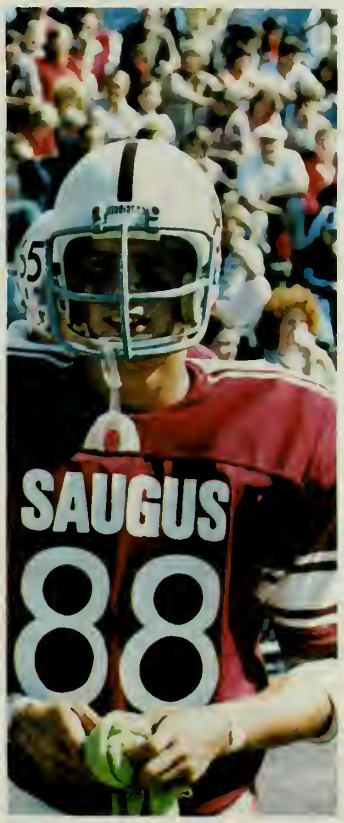
So many roads to choose. We start out walking and learn to run. We've only just begun . . .

. . . So much of life ahead
we'll find a place where there
is room to grow we've only
just begun.

"The Colors Of The Rainbow Speak All Languages"

It's been such a longtime,
I think I should be going.
Time doesn't wait for me,
It keeps on rolling.
So long on a distant highway.
I've got to keep on chasin' a dream
Though I may never find it.
Good times and faces that remind
me . . .
Comin' back to find me . . .

Scattered pictures of the
smiles & laughter fade into memories
. . . which we will forever cherish.



What Happens When You Come To The End Of The Rainbow And You Must Say Goodbye To Your Friends. The Friends That Helped You Find Your Pot Of Gold. It's Too Early To Have To Say Goodbye And Too Late To Start Again.

Laura Dwyer

Life so they say, is but a dream and they let it slip away. Love like the autumn sun should be dying, but its only just begun. We may never pass this way again . . .

. . . So I wanna laugh while the laughing is easy, I wanna cry if it makes it worthwhile. I may never pass this way again that's why I want it with you . . . cause you make me feel like I'm more than a friend. Like I'm the journey and you're the journey's end. I may never pass this way again . . .

Life Is Too Important To Be Taken Seriously

The great thing in this world is not so much where we are, but in what direction we are going

DEDICATION . . .

"Make your sail and every heart will know of the tale. Make your tune for none may sing it just as you do. Look at the way you glide, caught on the wind's lazy tide, sweetly how it sings, rally each heart at the sight of your silver wings. Find your way for none may know it just as you may."

Good-luck Mr. Bly, and thank-you for everything.

The class of '79.

THANK YOU . . .

You came to the rescue when no one else cared-- and because of you we have finally reached success. There is truely nothing we can do to ever repay you--- all we are able to do is say *THANKS!*

INDUSTRIAL ARTS — ART

The years may pass and the faces may change, but the memories will always remain . . .

September 1976, and the arrival of the new sophomore class; scared, but looking for a friend, and adjusting to a new way of life.

Suddenly you're a junior; following in the footsteps of the seniors - setting an example for those sophomores - and still trying to fiture out just what it's all about.

Then all too soon an end to it all and a new beginning - Senior year; bringing with it the happiness as well as the sadness of graduation day, not only for you, but for all those who know you.

I've seen you come and go and I've watched you mature and grow, in mind and in body, but most of all I'll remember the happiness you've added to my day, as well as to my life. You will be missed . . . but never forgotten.

Thank you Class of 1979, for being you.

FOOTBALL

With only four returning starters, Paul Nigro, Don Trainor, Bill Peach, and Mike Allen, the Saugus Sachems were not expected to be contenders in the Northeastern Conference. However, two convincing wins over the powerful teams of Winthrop and Classical proved the Sachems to be worthy of defending the title.

The remainder of the season was seen to be unpredictable. By defeating teams such as Salem and Beverly, the title seemed to be still within our grasp. The losses to Glouster and Marblehead made our goal impossible, yet the team contained the same spirit it had possessed all season. Such spirit was displayed in the game against English in which Paul Nigro rushed for 235 yards in the first quarter.

The Thanksgiving game capped off a successful season for the Sachems. For the first time in a decade, the Sachems defeated the Tanners at Peabody! The support given by the fans throughout the year was greatly appreciated by the members. Next years team looks as if it will have a promising season for sure!

After a poor start, losing to Marblehead and English, the varsity soccer team compiled a record to be proud of. In all these games, solid goal tending was displayed by Dave Dwyer. Ken Taylor played outstanding defense. Art Connors, the team leading scorer, was a great asset to the club. The team should be commended for their effort displayed all year.

SOCCER

J.V. SOCCER CHAMPS

The 1978-79 J.V. soccer team completed their season with a record of 13-0-1 to win the Northeast Conference championship. The team was lead by co-captains Doug Gould and Bill Snowden. Striker Nei Olivera was the leagues leading scorer with 24 goals and 6 assists. The defense was lead by goalie Gary Smith who turned in 7 shut-outs and had a goals against average of 0.67 per game.

FIELD HOCKEY

The varsity field hockey made history this year for they came in 1st place in the N.E. Conference, for the first time in Saugus High history. The team finished the season with an outstanding record of 10-2-2.

This team had drive, determination, skill and most of all a closeness and willingness to work together. Also, the locker room decorations show the intense team spirit.

Key games that the team will never forget were the defeats over Glouster and Danvers. All-stars for the team were Julie Fahy, Debbie Serino and Katey McCormack. But it was a total team effort, along with the excellent coaching of Diane Marcy and Debbie LeDrew. Because of their tremendous accomplishment, the girls were awarded jackets.

This years boys cross country team finished the season with an outstanding 7-2 record, placing Saugus 3rd in the conference.

George Thompson was cited as the top runner, with an individual record. He was also the only Saugus runner in history to qualify foe the All-State finals, in which he finished 30th.

The team will certainly miss this years seniors, who are capts. Paul Cargill and Bob Casey, Mark Wasson, Steve McGrath, Art Carlson and Mike Stewart.

BOY'S CROSS COUNTRY

GIRL'S CROSS COUNTRY

This years girls cross country team finished 4th in the conference, with a record of 6-3. This is the best girls team in the history of Saugus High. The team was lead by Carol DiVaio and Michelle Forni.

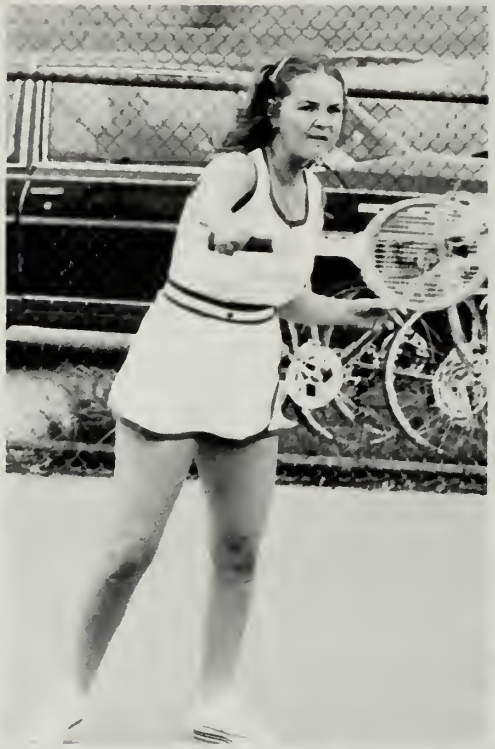
This years seniors included capts. Carol DiVaio and Jean Ludwig, and Eileen Kane.

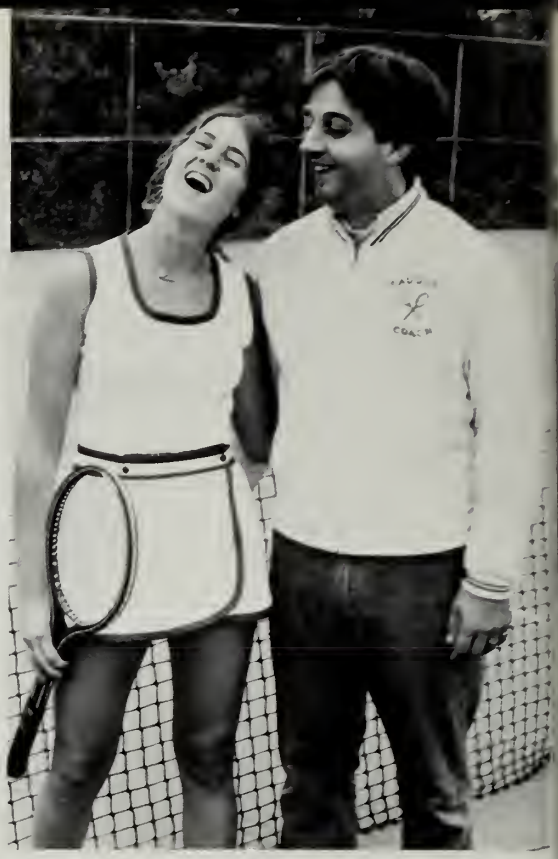
GOLF

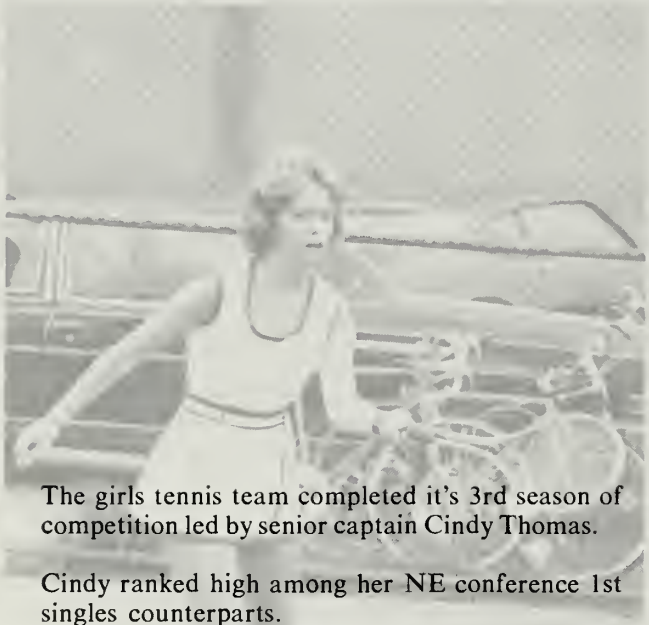
Golf team members Nick Stolos, John Bettano, and John Belliveaux played steady golf all season. Together, this group was responsible for our two victories over Winthrop and Marblehead. Other members who contributed to the team, and will be leaving by graduation are Tip ONeil and Andy Hocking.

Sophomore, John Belliveau has great potential for future seasons. Bob McQueen, who was also excellent all season, should play in the #2 position next year. Eric Nauman and Steve Barry will fill out the nucleus of the 1979 golf team.

This years golf team would like to thank the people at Mt. Hood, in Melrose, and Golf Town in Peabody, who allowed us reduced rates.







The girls tennis team completed it's 3rd season of competition led by senior captain Cindy Thomas.

Cindy ranked high among her NE conference 1st singles counterparts.

The steady play of seniors Donna Emma, Debbie Cosco, Darlene Smith, Lisa Jarosz, Janice Bowes, along with juniors Rhonda Pucci, Janice Tilly and Roberta Fucillo gave Saugus a competitive team.

Who Picked The Dandelion?

DO YOU BELIEVE FLOWERS ARE A GIFT OF LOVE — WE DO!

My memory saw a child stoop and pluck from the field a flower. SO ONE TOLD HIM HE MUST. My memory saw him turn and run with little legs that could not run fast enough, he carried in his tight fist his very first gift for me A DANDELION. He wanted me to smile I did and we HELD LOVE. Such a treasure I hold in my hand: this DANDELION! this ROSE! this FLOWER
